Ref.No./BCH/19/2784

Date: 15.11.2019

**Advertisement for the Post of One Senior Research Fellow (S.R.F.)
under the ICMR project No. 2019-0857-DrugDev./BMS**

Name and No. of positions: Senior Research Fellow, 1 position.

Title of the Project: "Developing target based strategies for new class of anti-influenza inhibitor/s".

Fellowship: Rs. 35000/- p.m. + 16% HRA

Eligibility: M.Sc./M.Tech. (Biochemistry/Molecular Biology/ Microbiology/ Biotechnology) with minimum 55% marks or CPI 7.0 plus NET and/or GATE or any similar exam/fellowship.

Experience: Candidates with previous research experience of two years. Prior exposure to cell-culture, *in-vitro* functional assays, molecular biology works, fluorescence microscopy and gene expression techniques.

Working knowledge of virus propagation and handling, *in silico* drug discovery platforms preferred.

Duration- Initially for 12 months and extendable for another six months or more based on satisfactory performance and co-terminus with the project.

Upper Age limit: 35 years on or before December, 2019.

Last date of application – 30th November, 2019.

Applications containing cover letter, a detailed CV (self attested), name and address of 2 referees as well as a brief write up on research work experience should be sent by email ONLY addressed to Dr. Dipanjan Dutta (dipanjan7@gmail.com) on or before 5:00 PM, **30 November, 2019**. Incomplete applications will not be considered and no correspondence will be entertained in this regard.

Only shortlisted candidates will be notified for the interview on December 02, 2019. No TA/DA will be paid to attend the interview. Original certificate/testimonials should be brought during interview.
